For Members and Invited Guests
Club Room: (623) 546-4050

September 2017

Hello RNS Members and Guests,

For those who returned early to our wonderful heat, welcome back!

When you've gotten yourself settled and ready to come back to the Club you might want a refresher course on the Juki and monitoring .

The Monday night sewing returns from 4-7pm. We will need monitors. Raichert comes on October 12th for machine cleaning. If you've been sewing all Summer you might want to get your machine checked over.

In October we will have a slate of officers to be presented for next year. Then in November we will vote on these people and any other nominations from the floor who are willing to volunteer their time to the Club. Thanks to the Nominating Committee and all who helped getting people recommended for these positions. We need a new nominating committee for next year. Think about volunteering some hours to your club.

In January we will have another Stash Sale. Joan Hardy says the large tables are going quickly. Contact her if you want to sell your stuff.

As we prepare for next year, now is the time to think about volunteering for the many committees. We will have some openings. Don't wait to be asked. Speak with an officer. This includes a chair person for the Spring Fair. We want the new board up and running on January 1st with most of these jobs filled if possible.

Our October meeting is October 5th at the Social Hall at 9:30.

See you at the Club. Keep sewing for the Craft Fair.

FALL CRAFT FAIR NEWS

The 2017 Fall Craft Fair will be here before we know it.

The date is November 4, 2017 and is held in front of our room. The hours are 8:00 to 2:00. We always have a good time meeting friends and selling our sewing items. You can enter just a few items for sale or many whichever you choose.

All those participating in the fair must work one shift. The sign up sheets will be on the cabinets behind the lunch tables the first of October. We hope many of our new members will participate with us. It is a good way to meet new friends and have a good time.

Look for the weekly Rip N Sew Club news for information. If you haven't been sewing much this summer, you have plenty of time to get a few items made.

If you have any questions, please call Pat Cave at 214-9094.

Did you know that our club has a "Sunshine Lady"? Her name is Beverly Randall and her email address is LovingAZ@cox.net. Her job is sending out cards from the club to members who may need cheering up due to illnesses, hospital stays, loss of loved ones, etc. Please contact her if you or a member you know might need a little cheer and comfort in your/their life right now.
