

Rip N Sew

May 2019

It's getting warmer. Some are headed to cooler climates, the tough ones will survive the summer and fun activities in town and at the club. This is our last newsletter until September. It's also our last time for refreshments after the meeting. Many thanks to Carol DeAmbra for putting together and printing our newsletters. Also thanks to the refreshment team of Mary Hirt and Sheryl Schalk who set up and serve our wonderful refreshments after meetings. All three are off duty until September. Enjoy ladies!

Does that mean NOTHING is happening for the summer. Of course not! Our June meeting is a GIANT Show and Tell so accumulate all your sewing and be prepared to show off your work at our June meeting in the lecture hall.

Our July meeting, moved to July 11 to free up July 4 for personal activities, is the Summer Survivor Picnic. This will be in the Social Hall and be a featured Pot Luck from the many wonderful cooks in the club.

August is more low key, an Ice Cream Social in the Rip N Sew Room. I look forward to seeing all of you at these events.

Meanwhile, remember the desert is Hot! Stay hydrated, and stay cool as possible. I encourage you to sew at the club. The AC works and you get to visit with lots of Cool people who sew. See you around the club this summer.

Have a Great Summer
