

Rip and Sew General Meeting Minutes
August 4, 2022
Lecture Center

Jeanne Phillips opened the meeting at 9:30 am:

Pledge of Allegiance

Welcome new members and guests

August birthdays

The new embroidery machine has been adopted for a few weeks for safe keeping.

The backroom closets have had the refacing job. The front room should be done next month, which includes LED lighting and refacing.

Show and Tell: items were left on the front table, giving members the opportunity to come up and view them close up, plus ask the maker questions.

Respectfully submitted by:

Diane Stern,
Co-Secretary
